

June 4-5 The Future Now!

Is your game-changing tech solution market-ready? Give it the extraordinary boost it deserves by showcasing it to a hand-picked audience of top investors, thought leaders, policymakers, and peers at the Global Entrepreneurship Summit 2019.

GES is unique in engaging next-generation high-tech entrepreneurs, top investors, thought leaders and regulators from all over the globe, to help shape the future of our planet. It offers better scale-up opportunities than any other conference – for free if you're one out of 1,200 entrepreneurs selected to take part in 2019.
